

11th September 2023

Year 5 National Space Centre Trip

Dear Parents/Carers,

On **Thursday 12th October** we will be taking all the children in Year 5 to the **National Space Centre**. The trip will support the children's science learning during Autumn 1. The children will be supervised by a Boston West member of staff to explore the centre before watching a planetarium show led by one of the members of the education team.

The cost of the trip will be **£20.43 per child**, which includes the coach, planetarium show led by a member of the centre team and entrance to the centre itself.

We ask for a voluntary contribution of **£20.43** to be paid to the school by **Thursday 28th September**.

The coach will be leaving promptly at **8:15am** therefore you will need to ensure your child **arrives at school by 8:05am**. Year 5 staff will be available from **7:50am** to allow the children plenty of time to arrive at school. The children will enter school from the normal year 5 gate. The coach will be leaving the centre at 2.30pm with the aim to **arrive back at school for 4pm**. A reminder of this information will be sent via parent mail closer to the time.

Please make sure your child brings a packed lunch and a drink. We shall be wearing our school uniform for this trip. No money is required as there will not be time to visit the gift shop.

Any further questions, please speak to your class teacher.

Many thanks,

Mrs Steed
