

Wednesday 13th September 2023

Dear parents and carers,

The children have enjoyed their first full days at Boston West and have settled in well. They are starting to make new friends and to encourage them to share their interests, we would like them to create their own name mat with things that make them happy. For example, any hobbies, pets or family they have. You will find a coloured piece of card with their name on it in their bookbag. Please use this to add pictures/drawings. We have made our own mats to give you an idea of what yours may look like. Please could you return them by Monday 18th September 2023.

Yours sincerely,

S North C Stanton S Gadd

The FS team
