Keeping In Touch

CARE
Working Together for Success

THANK YOU!

We wanted to send a huge **THANK YOU** for your support. Together, we raised £645 during our Break the Rules Day - this will be used to buy even more books for school!

Secondly, we really appreciate each of you who put together a Shoebox for the Rotary Club. They were picked up on Friday and are on their way to their destination.

Both of these show our CARE values in action.

Thank you... ♥

48 HOURS

Recently, we have seen an increase in children and staff with tummy bugs - sickness and diarrhoea. It is important that all children should stay away from school until they have not been sick or had diarrhoea for at **least 2 days (48 hours)**. This is our policy and guidance from the NHS. We will continue to encourage children to wash their hands regularly and to use the hand sanitizer in their classrooms. Thank you for your continuing support with this.
