

10th January 2024

Dear parents/carers,

YEAR 5 BIKEABILITY

Every year, the children in year 5 take part in Bikeability cycle training sessions in school during the spring term. We have always promoted these sessions as we believe they allow our children to obtain crucially important skills that will help keep them safe on the roads. During this training, the children will learn basic riding skills and road safety knowledge as well as practicing what they have learned on the local roads around our school by a number of trained professionals. This year's training will take place the week beginning 22nd April 2024. Parents are asked to provide a bicycle and helmet for their child.

To confirm you give permission for your child to take part, please return the attached Outspoken Bikeability Consent Form by **Friday 19th January 2024**.

Kind regards

Mr Scrups
Physical Development Lead
