

## **Boston West Academy**

Parents /Carers, below you will find information about our learning this term. We hope this will help you to support your child at home and with homework. As always, we start with our initial plans and then adapt our planning in response to the children's ideas and thinking. Our PE this term is netball and hockey and will take place on Wednesday afternoons. Finally, homework will be given on a weekly basis, usually on a Monday. If you have any questions or queries, then please do not hesitate to get in touch - we are always available.

*Mr Wilson, Miss Coffey, Mrs Lavery and Mrs McKue*

### **Music**

We will be learning to play the ukulele with the Lincolnshire Music Service.

### **Geography**

We will be looking at where the Anglo-Saxons came from and where they settled. Later in the term, we will compare the UK and Russia, analysing the environmental regions, key physical and human characteristics and major cities.

### **DT**

We will be creating our own lamps, which will consolidate our learning about light and electricity.

### **English**

Our text types this term are:

- ✦ Fantasy Stories
- ✦ Myths
- ✦ Biographies.

Furthermore, we will be continuing to develop our grammatical knowledge and reading comprehension skills.

### **History**

Our main historical theme for this term will be the Anglo-Saxons and the Vikings.

### **Science**

We will learn all about sound and how it travels. We will also begin our learning about states of matter, comparing materials according to whether they are liquids, solids or gases.

### **PE**

This term we will be working on our throwing and catching skills in netball and our passing and dribbling skills in hockey.

### **Art**

We will be learning how to develop an awareness of composition in drawing and combine media, including printing, for effect.

### **Maths**

We will be focusing on:

- ◇ Decimals
- ◇ Multiplication and Division
- ◇ Fractions
- ◇ Length and Perimeter

### **RE**

In RE, we will be focusing on community, worship and celebration for the religions of Hinduism and Islam.

### **Computing**

Children will learn text-based programming language to explore count-controlled loops, when drawing shapes.

### **PSHE**

We shall be learning about money and how data is shared and used in the wider world.

### **MFL**

This term we will be learning vocabulary that will help the children describe their likes and dislikes.

### **Key dates:**

We are looking to visit our local Mosque as well as Boston Library, after half term. We will confirm dates in the coming weeks.
