Hunstanton visit – Wednesday 17th April

Dear parents and carers,

As part of our Geography fieldwork based around coasts, when we start back in April, we have arranged a trip to Hunstanton. The children will be looking at key aspects of coastline geography, applying their learning using a compass, and enhancing their map skills.

Please send your child wearing their school uniform for the trip, ensuring they have a pair of wellies in school to take with them and a plastic bag. In case of good weather, please make sure your child brings a sun hat and sun cream (if needed) clearly labelled with your child's name. They will also need to bring a packed lunch and plenty to drink. (You will be able to book a trip packed lunch with The Farm Kitchen).

The buses will need to depart school at 8:15am on the morning of the trip and will be back for normal school collection at **3:25pm**. It is essential that your child **arrives at school promptly at 8:00am** that day as the bus will not be able to wait for latecomers. If your child suffers from travel sickness, please ensure they are given the appropriate medication. If a further tablet is required for the return journey, please place this in a **clearly marked envelope with your child's name and instructions for taking. This should be handed to their class teacher on the morning of the trip.**

The cost of the trip is **£7.90**, for which we kindly request a voluntary contribution by **Thursday 28th March** at the latest. If for any reason you have difficulty making this payment, please contact the school in confidence. Should sufficient contributions not be received, the trip may be cancelled.

If you are available and would like to join us on our visit to the coast, we would greatly appreciate any help. To ensure the children's safety, we do require a certain number of adults. Please let either Miss Brockington, Mrs Smith, or a member of the office team know if you can join us.

Many thanks,

J Brockington
