Keeping In Touch

As we end the Spring Term and look forward to summer, I wanted to say a heartfelt thank you. We really appreciate your support and kindness.

Dog Friendly School

We welcome dogs when dropping off and picking up from school. Even staff dogs appear from time to time! We do ask that all dogs are on a lead, kept under control and do not come through the school gates.

Beginning and end of the school day.

Please can we remind you that children should not be scooting around the grassed area in front of school.

When waiting near the cars, please can children not run around and be aware of moving vehicles. We are drawing out a waiting area during the Easter Break to keep everyone safe.

I've also had a request from our Y6 litter pickers. They have noticed an increase in the amount of litter they have had to pick up outside of school. They have asked me to ask you to use the bins or take the litter home.
