Keeping In Touch

CARE VALUES

Scooter and front gardens/driveways.

Our CARE values are at the heart of everything we do at Boston West. Unfortunately, there have been a few things that have happened recently outside of school which do not show our CARE values.

Last week one of our pupils was hurt after they had to jump out of the way of a child on a scooter. It happened near the car park barrier. The pupil was on the path and ended up on the floor in the road. Understandably, this could have ended up in a serious accident.

In addition, it has been brought to our attention, that some of our pupils, at the end of the day, are walking on our neighbour's front gardens and on some occasions, running around front driveways.

We kindly ask that you supervise your children or talk to them about both of these things, referring to the CARE values. We will also talk to them in school. Thank you - it is appreciated.

UNIFORM

A few reminders...

- Please make sure EVERYTHING is named - it makes it easier for us to return it!
- Please return any uniform taken home by mistake, especially PE kit.
- No nail varnish.
- Studs only - no hoops or 'dangly' earrings.
- Black shoes (not trainers) - however, we understand that there are circumstances which make this difficult - please talk to us so we know.
- Hair accessories - not big or too noticeable!
