

Year 4 Multiplication Tables Check

Tuesday 7th May 2024

Dear parents and carers,

As you may already be aware, it is a requirement of the National Curriculum that every child is fluent in their times tables up to 12 x 12 by the time they reach the end of Year 4. As part of this, the Government have recently introduced the **Multiplication Tables Check (MTC)** which all Year 4 pupils are expected to take part in nationally. This years MTC will take place between **June 3rd 2024 and Friday 14th June 2024** and will be completed in the form of an online assessment, **consisting of 25 questions with the children having 6 seconds to answer each one.**

We are working hard in school to teach your child their times tables but it would help us and them greatly if you could also practice these at home as repetition is key to instant recall. This can be done through recital, playing games with flash cards and spending time on **Times Table Rock Stars (TTRS)**. The sound check mode on TTRS is similar to how the MTC will look but all the modes will help your child improve their fluency.

Please see the attached leaflet for further information.

If you need any help with logging on to TTRS or have any further questions, please contact any member of the Year 4 team.

We thank you for your support.

Kind regards,

Mr Wilson and Miss Coffey
