

Boston West Academy

Dear Parents, below you will find information about our learning this term. We hope this will help you to support your child at home with their learning. This term we are having P.E. each Wednesday. Jewellery needs to be removed and hair tied back. Homework will focus on reading, TT Rockstars, spellings and handwriting. If you have any questions and queries, then please do not hesitate to get in touch - we are always available!

Mrs Bennett and Mrs Smith

Maths

Please support your children with the 2,5,10 times tables and begin to look at the 3s, 4s and 8s.

We will be focussing on:

- ◇ Addition and subtraction
- ◇ Multiplication and Division

English

Please continue to support with your child's reading by listening to them read regularly and asking questions about what they have read. In Reading this term, we will be looking at Norse mythology and poetry. In writing, we will be looking at newspaper reports and narrative.

Science

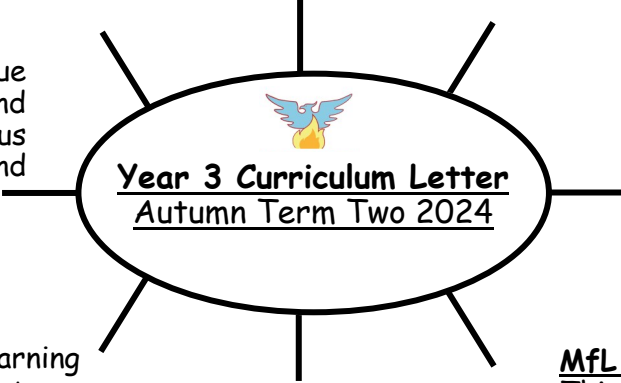

Our focus area is Animals including Humans. For this the children will be learning about the different bones found in the human body, the purpose of muscles and how animal skeletons can be different.

PE

This term we shall be working on our ball skills as we learn how to play basketball.

R.E.

This term, we will continue looking at Christianity and God. With a specific focus on Holy Communion and the Bible.

Year 3 Curriculum Letter Autumn Term Two 2024

PSHE

We shall be learning about the different stereotypes and relationships.

Geography

This term, we will be learning about the continents and oceans of the earth.

MfL (French)

This term, we shall continue to develop our French and learn numbers and colours.

History

We will continue our learning of Prehistoric Britain, moving onto the Iron Age.

D&T

Throughout the term, we will be practicing our sewing skills, building these up in order to create a winter themed cushion.

Music

Lincolnshire Music service will continue this term to provide us with Samba drumming sessions.

Computing

This term we will be continuing to use our programming skills to create a musical sequence.
