

Wednesday 3<sup>rd</sup> September 2025

Dear parents and carers,

I hope you've all had a lovely break with some time to rest and enjoy yourselves. We're really excited to welcome everyone back to Boston West Academy for the new school year. It's always a special time, full of fresh opportunities to learn, grow and share new experiences together.

I wanted to take this opportunity to remind you about a few things. If you'd like to chat with a member of staff, please don't hesitate to send an email or give the school office a call. Often, teachers are unable to come to the phone as they are in class so it is helpful if they can call you back or arrange a meeting. It's also useful if you can let us know the reason for contact so we can be prepared!

Following the update in July, we are now a nut-free school. More details are on the website and we will send the information again.

The front of the school has been given a make-over. It looks amazing! Billy's Boulders Snake has also grown! Can we all make sure we are taking care around the snake and on the grassed area.

Thank you so much for all the support you give to our school. It means a great deal to us and makes such a difference to our whole community. We will be sending out details of our Meet and Greet sessions for all year groups. We can't wait to see you all again and to get the year off to a great start!

Keep smiling!

Mrs Braybrook
