

10th September 2025

Year 5 National Space Centre Trip

Dear Parents/Carers,

On **Tuesday 7th October** we will be taking all the children in Year 5 to the **National Space Centre**. The trip will support the children's science learning during the Autumn term. The children will be supervised by a Boston West member of staff to explore the centre before watching a planetarium show led by one of the members of the education team.

The cost of the trip will be **£23.85 per child**, which includes the coach, planetarium show led by a member of the centre team and entrance to the centre itself.

We ask for a voluntary contribution of **£23.85** to be paid to the school by **Friday 19th September** via the MCAS app.

The coach will be leaving promptly at **8:15am** therefore you will need to ensure your child **arrives at school by 8:05am**. The children will enter school from the normal year 5 gate which will be opened by a member of staff at **8am**. The coach will be leaving the centre at 2.30pm with the aim to **arrive back at school for 4pm**. A reminder of this information will be sent via parent mail closer to the time.

Please make sure your child brings a packed lunch and a drink, there will be an option to order a trip packed lunch with Ideal Foods. **Ideally, your child will need a backpack for the day as they will be required to carry their belongings around with them.** There are lots of interactive exhibits, so we'd like to keep hands as free as possible! We shall be wearing our school uniform for this trip but feel free to send your child in comfortable shoes. No additional money is required for this trip.

We are looking forward to an exciting visit!

Many thanks,

Miss Featherstone and Mr Langley
