**Come and see your child on the big screen!**

**Thursday 11<sup>th</sup> September 6:00pm**

Dear parents and carers,

We would like to invite you to come and find out about the exciting things your child has been enjoying during their first weeks at school. **There will be a short film shown in the hall- the stars of the film will be your children!**

The meeting will also provide the opportunity for you to find out what happens at school, **how to help your child at home and begin our partnership together**. We hope that the evening will answer many of the questions you may have about your child's school life e.g., our reading books, our phonics scheme, and homework. We will also share information on Tapestry (children's learning journals) and how you can contribute to these at home.

**The meeting is aimed at parents and carers only and so the children will be given the opportunity to watch the film during school time.**

This is an **important first** meeting, and we look forward to seeing as many as possible of you there.

Yours sincerely,

Deputy Headteacher
