Year 4 Energy From Waste Trip

Mrs Steeds class – Tuesday 14th October

Miss Harris' class – Wednesday 15th October

Dear Parents/Carers,

On Tuesday 14th October or Wednesday 15th October, The Energy From Waste Visitor Centre in North Hykeham have amended the timings and itinerary of our trip.

The coach will now be leaving promptly at 8:55am therefore you will need to ensure your child arrives at school by 8:40am. The children will enter school via the side gate as usual, which will be opened by a member of staff at 8:35am.

The coach will still be leaving the centre at 2.30pm with the aim to arrive back at school between 15:30-16:00. A reminder of this information will be sent via My Child At School closer to the time.

Please make sure your child brings a packed lunch and a drink. There is a lunchtime 'Waste Free' challenge between the classes, so try to use as little non-reusable packaging as possible when preparing your child's lunch. For example, put some crisps from a large sharing bag into a tupperware pot rather than sending in an individual packet of crisps.

All children will need to be wearing their school uniform for this trip.

We are looking forward to an exciting visit! If you have any questions about the trip, please do get in touch with us.

Kind regards,

Miss Harris and Mrs Steed
