Relationships and Sex Education (RSE) Policy Consultation

Dear Parents and Carers,

We are writing to inform you that our school has recently created a new **Relationships and Sex Education (RSE) Policy**. This policy sets out how we will deliver RSE in line with statutory requirements, ensuring that teaching is appropriate, inclusive, and supportive of pupils' personal development.

We recognise the vital role that parents and carers play in supporting children's understanding of relationships, health, and wellbeing. Therefore, we would like to invite you to contribute your views on this new policy as part of our consultation process.

To gather feedback, we have prepared a Google Form, which you can access via the following link: <https://forms.office.com/e/W0xGVUMVW6>

Your comments will be reviewed carefully and may be used to help inform the planning and delivery of our RSE curriculum.

In addition, if you would like to discuss the policy further or wish to view the RSE materials that will be used in lessons, we would be very happy to arrange this. Please email the school office to make an appointment at info@bostonwest.anthemtrust.uk

The consultation will remain open until **28th October 2025**.

Thank you for taking the time to engage with this important process. We value your support and look forward to hearing your views. Should you have any questions, please send these to info@bostonwest.anthemtrust.uk and a member of staff will respond as soon as possible.

Yours sincerely,
A Simpson
Personal Development Lead
