Working Together for Success

## MY CHILD AT SCHOOL

First Aid and Behaviour

## STAFFING UPDATES

We are pleased to share that we have appointed 3 new members of staff as teaching assistants. They are Ewa Zalewska, Julie Simner and Abbie Allen. Welcome to the Boston West team!

We are pleased to let you know that we are now using the My Child At School (MCAS) app to report all first aid incidents involving your child. This means that details of any first aid administered will be added to the app as appropriate, helping us to improve communication with you and ensure that you are always kept informed.

In addition, we will shortly begin using the Behaviour Module within the app. This will allow us to share behaviour updates with you more efficiently, ensuring you have a clear understanding of your child's behaviour in school.

## PARKING

and

our local residents.

We have received a number of complaints from local residents about cars being parked across driveways during drop-off and pick-up times. In some cases, residents have also experienced rudeness when asking parents to move their vehicles.

Please can we kindly remind everyone not to block driveways or access points at any time. We want to maintain positive relationships with our neighbours and ensure the safety and smooth running of our school community.

Thank you for your understanding and cooperation.

## BEHAVIOUR

...at the start of the day, before the gate opens.

Just a little friendly reminder that we expect everyone to show their best behaviour before the school gates open each morning. A few older pupils have been seen making choices that aren't quite in line with our usual high standards. We know our children are brilliant role models, and we'd love to see that shine through from the very start of the day. By being kind, calm and respectful while waiting, everyone helps create a positive start for the whole school community.
