How it works

We turn your daily shopping into free donations!

easyfundraising partners with over 8,000 retailers who will donate part of what you spend to a cause of your choice. It won't cost you any extra. The cost is covered by the retailer.

Retailers pay us a commission because when you start your shop from the easyfundraising website or app, they can see we sent you to them. If you make a purchase, a commission is generated, and we turn that into a donation! No extra cost, no extra effort.
