Keeping In Touch

# BEHAVIOUR

One of our key focuses as we move towards the end of the year continues to be behaviour.

Behaviour at Boston West is generally good and this is reflected in our Ofsted report and other external reviews.

From this week, parents will be able to view negative behaviour incidents involving their child on the **MCAS** app. We understand that this may not always be easy to see; however, our intention is to **strengthen communication** between home and school and to continue **working together** to improve behaviour for all children.

# SAFETY

...out the front of school

We would also like to remind families that behaviour and safety at the front of school, particularly at the start and end of the day, is very important.

Please ensure that there is **no cycling or scootering** in this area. A letter was shared recently following an accident where someone was injured, and we appreciate your support in helping us keep everyone safe.

We also kindly ask that the **Foundation Stage area is not used** when the gate is opened at the end of the day. Please ensure your child does not play in the FS area - this is for safety reasons.

# NUT-FREE SCHOOL

We would like to remind parents that **Boston West is a nut-free school.**

This means that children must not bring any food into school that:

- are nut products or nut-containing products

We appreciate your continued support in helping us keep all children safe.

# CARE

Working Together for Success

**15-19** Sports' Day Week

**30** Y4 Yorkshire Wildlife Park trip

July

**08** FS Tattershall Farm Park trip

**17** End of year

# CONGRATULATIONS

We are delighted to share some lovely news. Mrs North, Mrs Steed and Miss Griffin are all expecting babies this summer.

All will remain with us until the end of the academic year before starting their maternity leave from September 2026. I'm sure you will join us in extending our warmest congratulations to them both on this wonderful news.

# CHICK DAY FUNDRAISING

A huge **thank you** to our Foundation Stage parents, children and staff, who together raised an incredible **£2078.**

This has funded a fantastic enrichment experience for the children, with remaining funds being used to develop the **Year 1 outdoor area**, benefiting both this year's cohort and future children.

We truly value and appreciate the effort you make in providing these wonderful opportunities.
