

Boston West Academy

Dear Parents,

Below, you will find information about our learning for Term 6. We hope this will help you to support your child at home, especially with home learning. We start with initial plans and then adapt our planning in response to the children's ideas and thinking. **The whole of Year One will have PE on a Tuesday.** Please ensure your child's kit is in school at all times and that **earrings are removed and long hair tied back** on PE day. Home learning will be sent home each Friday. If you have any questions or queries, please do not hesitate to get in touch.

Miss Brockington, Mrs Gadd and Mrs Fisher

PSHE

We will be learning about health and well-being and keeping safe in and out of school. We will also carry out transition activities in preparation for the next academic year.

Music

We will be learning about rhythm and tempo, as well as exploring how to make rhythmic patterns using our bodies and instruments.

Science

Our focus areas are:

- Identifying different types of trees/plants/flowers
- Developing investigative skills
- Summer/ seasonal changes

PE

We will be focusing on athletics, developing skills including; agility, balance, running and throwing for distance.

Maths

Our focus areas are:

- Place value within 100
- Addition and subtraction
- Money
- Time

English

Phonics will continue to be taught daily, focusing on developing blending and segmenting skills to support reading and writing.

Children will be exposed to a range of texts through reading sessions with an adult linked to their phonics learning, as well as daily whole-class story time

In English, we will be looking at narrative texts and creating a trip recount. Writing will focus on the essentials of capital letters, full stops, finger spaces and joining sentences using conjunctions, as well as improving sentences.

RE

This term, we will continue to learn about Islam. We will focus on community, worship and celebration.

DT

We will be focusing on textiles. The children will learn how to sew with a big needle. They will practise sewing onto binka using a running stitch.

Computing

We will be focusing on designing and programming animations using ScratchJr as our platform for learning.

Geography

- We will be learning about changes to coasts.
- Recapping human and physical features.
- How the wind and waves effect the coastline.
