Dear parents,

I am writing to share that Mrs Oglesbee (Mrs O) will be leaving Boston West at the end of this term.

Mrs O has been part of our school family for 20 years, and it is no exaggeration to say that she is the heart of Boston West. In all my time knowing her, I have never seen her show anything but care, compassion and love towards everyone she meets. She has a remarkable way of quietly making things better – whether that's through a kind word, a reassuring smile, or simply knowing exactly when someone needs a little extra support.

So many children have been incredibly fortunate to have Mrs O by their side during their time at Boston West. Her impact on them, and on all of us, cannot be measured. She brings warmth into everything she does – even down to the shared meals she so generously brings in for others – and she has created a sense of belonging that runs right through our school.

Mrs O is always smiling. I have never heard her get cross. She leads with kindness in every situation, and being around her is like having a 'Mrs O blanket' – a sense of comfort, care and calm that wraps around our school each day.

She will be greatly missed. Boston West will not feel quite the same without her, as she is the person who just *knows* who needs a quiet word, a smile, or a helping hand.

Please join me in thanking Mrs O for everything she has given to our school over the past 20 years, and in wishing her all the very best as she moves on to her next chapter.

Kind regards,

Ceri Braybrook
