

08.07.26

Dear parents and carers,

As we come to the end of the academic year, I would like to let you know that Miss O'Brien will be leaving Boston West Academy.

Miss O'Brien joined us two years ago as a Teaching Assistant Apprentice and has become a valued member of our school team. During her time with us, she has worked closely with our younger children and those who access our Hive provision, always showing kindness, patience and dedication.

Miss O'Brien is known for her cheerful nature and the smile she brings each day. She works well with both colleagues and children, and it has been wonderful to see her grow in confidence and develop her skills during her time at Boston West.

We are grateful for the positive contribution she has made to our school community and know that she will be greatly missed.

On behalf of everyone at Boston West Academy, we would like to thank Miss O'Brien for all she has done and wish her every success, happiness and good luck in whatever her future holds.

Kind regards,

Mrs Braybrook
