

Term 1 — Homework

Spelling

Attached is a list of words children need to know how to spell by the end of year 1 and year

2. Pick 6 words the child doesn't know to learn each week.

1. Pick 6 of the words that are not highlighted. (Highlighted words are the ones they already know how to spell)
2. Read the words and discuss meaning. Verbally use each word in a sentence.
3. Use the spelling practice ideas to learn how to spell the words they don't know.
4. Check if they can spell the words.
5. Put sound button on the words to support.
6. Try applying words in a small sentence and check if the word is spelt correctly.
7. Revisit words from previous weeks and see if they have been remembered.

Maths

Below is the link to a fantastic websites/app which helps children practice their number facts. Let them spend time exploring the app. It is important children have quick recall of their number bond to and within 10 e.g. $6 + 4 =$ $3 + 2 =$
