CARE
Working Together for Success

Friday 30th October 2026

Dear parents and carers,

At the end of Term 1, we enjoyed our Break the Rules Day, which the children thoroughly enjoyed. Thanks to your generosity, we raised an amazing **£392.50** towards new playground resources. A huge thank you to all of our families for your support.

On the back of our Break the Rules day, we would also like to take this opportunity to remind everyone that **we are a nut-free school**. Unfortunately, a number of snack items brought in for the day contained nuts. Our nut-free policy is a rule that cannot be broken on any occasion. We have children and a member of staff with severe allergies, and it is essential that we take every precaution to keep everyone safe.

We really appreciate those who take the time to check ingredients carefully when preparing snacks and packed lunches for school. Your support plays a vital role in helping us maintain a safe environment for everyone.

We kindly ask that all parents and carers continue to check ingredients thoroughly and ensure that no products containing nuts are brought into school, including on fun days.

For your reference, our previously sent guidance is always available in the announcement module.

Thank you for your understanding, cooperation and continued support in keeping our whole school community safe.

We look forward to welcoming our children and families back on Monday 2nd November.

Thank you,

Miss R Wilson
