Year 4 Energy From Waste Trip

Miss Harris' class- Tuesday 24th November

Mr Langley's class- Wednesday 25th November

Dear Parents/Carers,

On Tuesday 24th November or Wednesday 25th November, your child will be visiting the **Energy From Waste Visitor Centre** in North Hykeham. This trip will support your child's science learning during the Autumn terms. They will have the opportunity to take part in activities and discussions about where waste comes from, understand where their recycled waste goes and learn how energy is generated from non-recyclable waste.

Our visit to the Energy From Waste Centre is **free of charge**, with transport costs covered by the facility. This means there is no cost to you.

The coach will be leaving promptly at **8:50am** therefore you will need to ensure your child **arrives at school by 8:40am**. The children will enter school via the side gate as usual, which will be opened by a member of staff at **8:30am**. The coach will be leaving the centre at 2.30pm with the aim to **arrive back at school between 15:30-16:00**. A reminder of this information will be sent via My Child At School closer to the time.

Please make sure your child brings a **packed lunch and a drink**. There is a **lunchtime 'Waste Free' challenge** between the classes, so try to use as little non-reusable packaging as possible when preparing your child's lunch. For example, put some crisps from a large sharing bag into a tupperware pot rather than sending in an individual packet of crisps or use a wax wrap for sandwiches.

All children will need to be wearing their **school uniform** for this trip, we are happy for trainers to be worn as children will go on a tour of the facility.

We will also require a couple of parent helpers for each day on the trip. If you would be available, please do speak to Miss Harris or Mr Langley to let them know and one of them will confirm with you.

We are looking forward to an exciting visit! If you have any questions about the trip, please do get in touch with us.

Kind regards,

Miss Harris and Mr Langley
